

greetings Mr. Hutchings,

How are you? I hope that this email finds you well. My name is Rose Maina Wambui, a Form Two student at Juanita School. I am sixteen years old. I am the beloved daughter of John Maina and Grace Wanjiku. I am the last born in a family of three .

I come from Murang'a county, Maragua constituency. I am a christian and was brought up by christian parents who from childhood taught me to uphold good christian values.

My hobbies are reading storybooks ,singing,playing badminton and going for nature walks. I love education and from my childhood education was a priority for me even though my background was challenging for me. Thanks to you George Hutching for allowing me to pursue my high school studies. This opportunity you have given me will enable me to realize my dreams of becoming the best accountant in the world.

Once again to you George, thank you so much for changing my life from a humble, un-educated girl to now a young and promising girl. You have put a smile on not only my face but also my parents' faces. Many in my village are not educated due to financial instability.

Mine is to thank God for you. My prayer to you is for God to bless you and grant you life in abundance.

yours sincerely,
Rose Maina.
